Attorney Docket No. 592/3

REMARKS

This Interview Record is being filed in connection with an interview with the Examiner on September 27, 2005. The Examiner's Interview Summary was mailed on September 29, 2005, in which Applicants were given one month from the later of the date of the Interview and the date on which the Examiner's Interview Summary was mailed to submit a record of the Interview. Accordingly, the submission of this record of the interview is timely.

- 1) Participants in the Interview:
 - a) Examiner George C. Manuel; and
 - b) Applicants' Registered Patent Attorney Leslie S. Garmaise.
- 2) Claims Discussed: 13 and 14.
- 3) Prior art discussed: None.
- 4) Amendments: It was agreed that claims 13 and 14 would be amended to include the limitations of independent claim 2, which had been canceled without prejudice in an amendment preceding the Interview.
- 5) In brief, prior art was not discussed, and no arguments were presented, because matters were quickly resolved. Claims 13 and 14 had been allowed in an earlier Office Action, but had not yet been rewritten in independent form. Thus, during the interview, it was agreed that Applicant's counsel would rewrite claims 13 and 14 and submit them to the Examiner in a faxed supplemental amendment. Consistent with this agreement, a supplemental amendment including claims 13 and 14, rewritten in independent form, was faxed to the PTO on September 28, 2005.
